

Ten (10) Fasteners per Frame
from 6 X 40 mm flat bar

IMPORTANT:
This Ice Can Frame is designed to hold ten (10) Standard 50 kg Rectangular Ice Cans. Since the dimensions of the cans can vary slightly from one country to another - and from one manufacturer to another - it is essential that the dimensions identified with question marks (? XXX ?) on this drawing be finally decided upon in accordance with actual dimensions of the cans to be used in the plant.
