## Worldwide Reference List - 1986 to date

[Acrobat A4 Vertical Printout - Two pages, 96k](#)

The head quarters of Ice Bits Pte Ltd were moved from Singapore to Iceland in late 1985; from then on, projects worldwide were attended to IceBits ehf (succeeding IBPL) from the new [Home Base](#). Due to mishaps on computer hard drives, information on some of the projects, dealt with during this period and listed below, is incomplete while other projects are missing from the list.
